

Safety Information for visitors to ManheimFowles Sites

Welcome To ManheimFowles

To assist us with maintaining a safe environment all visitors, upon entry to this site are required to abide by our safety, security and environmental requirements. These are detailed below:

FOOTWEAR:

Covered footwear **MUST** be worn in the Salvage and Truck & Machinery areas at all times. Thongs and open toe sandals are not permitted in these areas.

INCIDENTS

All incidents, accidents and hazards must be reported to a staff member or security guard. If First Aid is required as a result of an accident please contact a staff member for assistance.

SMOKING

Smoking is allowed **ONLY** in designated areas

FORKLIFTS:

Forklifts operate in the Salvage and Truck & Machinery areas. Visitors are not permitted to enter the Forklift Operating Area.

EMERGENCIES & EVACUATION

In case of an emergency, ManheimFowles employees will direct you to the evacuation assembly points.

VEHICLE MOVEMENT:

Please be aware of, and stay clear of, vehicles, trucks, machinery and heavy equipment constantly moving around the site.
